Sponsorship

There are children all over India with remarkable intelligence, inspiration and top academic marks. However, many of them never get a chance to utilise these gifts, as their parents do not have the funds to support their education. Your sponsorship will enable them to attend primary school, continue their higher education or even study. All donations, however big or small are gratefully received. If you wish to become a sponsor for an individual child, please contact us at: contact@kaleshwarcharitabletrust.org or visit our website: www.kaleshwarcharitabletrust.org

For an individual sponsorship the yearly fees are:

€ 300.00 / £ 240.00 / \$ 340.00

We would heartfully appreciate if you commit for a minimum of 2 years sponsorship, paid annually. Once a year, you will receive a report of your sponsored child, together with a current photo and comments on their progress.
